Message: Ronnie...I am a retired NASA employee and met you in Iuka, MS some time ago
in my capacity as Computer Systems Manager for the NASA Tri-State Education Initiati
e. I briefed you and your group on our strategic planning room setup and at the time
you had with you Ezell Lee, whom I had know from living in Picayune when he coached
my sons in football. I currently reside at Pickwick Dam, TN and do Internet web site
design work through Netsouth Computer Services. But my heart will always be in my b
irthplace of MS. I like some of the things you are doing for the State. Keep up the
good work and good luck in your future endeavors.
